HEIGHT-ADJUSTABLE DESK

# Height-adjustable Desk

MAX18是一系列实用新颖的办公桌，它大胆创新的站坐交替式设计，给高效办公带来新的体验。凭借着新颖独特的升降设计，充分展现人体工程学原理，让用户在几秒钟内，就可以灵活地从坐姿流畅过渡到站姿。

这种从坐姿到站姿的动作转变，能有效缓解用户久坐的疲劳，提升工作效率。站坐交替式办公桌符合人体力学设计，是未来办公家具发展的新趋势！

*Max18 series is a practical and novel desk. It is bold and innovative sit-stand alternate design, which brings a new experience to efficient office. With the novel and unique lifting design, the principle of ergonomics is fully demonstrated, so users can flexibly transition from sitting posture to standing posture in a few seconds.*

*The change from sitting posture to standing posture can effectively relieve the fatigue of sitting for a long time and improve work efficiency. Sit-stand alternate desk in line with human mechanics design, is the new trend of the future office furniture development.*

# Sit-stand for your healthy!

研究表明高度可调式家具最多可将坐着的时间减少60%，并且在坐姿和站姿之间变换可让我们的身体更健康。

*Studies have shown that height adjustable furniture can reduce sitting time by up to 60%, and shifting between sitting and standing posture can make us healthier.*

外置无线充 External Wireless Charger

弹簧走线管 Spring Line Pipe

## A classy presence

MAX18升降班台拥有跟随桌面升降的弹簧走线管，触手可及的外置无线充，再配上精致细腻木纹桌面和边柜45度斜角拼接设计，彰显几何美学的简单优雅。

Max18 height adjustable desk has a spring line pipe that follows the table top, accessible external wireless charger, coupled with delicate wood grain top and cabinet with 45 degrees joining design for corners, showing the simple and elegant geometric aesthetics.

指纹柜锁的智能方便使班台更加出众，告别钥匙密码，指纹一触即开，乐享智能办公。

The intelligence of the fingerprint lock makes the table more outstanding, bid farewell to the key or password. The fingerprint lock can be opened at the touch of a finger, enjoying intelligent office.

# Freedom workspace

120度工位打破传统办公室布局，缔造崭新的视觉分隔，促进团队成员的情感健康。

办公桌之间设有挂台屏风，保障视觉隐私的同时，还能确保不影响便捷沟通和协作。

*The 120 degree workstation breaks the traditional office layout, creating a new visual separation and promoting the emotional health of team members.*

*Hanging screens between desks guarantee visual privacy while ensuring that easy communication and collaboration are not compromised.*

## *Well being at work*

无论您选择坐着或站着，升降台都能让您倍感舒适。如此多样的空间规划选项，只为关注您的健康。

*Whether you choose to sit or stand, the height adjustable table can make you feel more comfortable. Such a wide range of space planning options is only for your health.*

# Match your workspaces perfectly

人性化的夹桌插座，充电时无需弯腰低头。

*Humanized clamp-on socket, charging without bending down.*

挂台屏风 Hanging Screen

弧形手柄控制器控制桌面升降，与弧形台面设计相得益彰。方形桌还可搭配挂台屏风使用，实现和谐互补的办公环境。

*The arc-shaped controller controls the rising and lowering of the table top, which complements the arc-shaped table top design. The table can also be used with hanging table screen to achieve a harmonious and complementary office environment.*

MAX18 L形升降桌，能让您轻松切换办公形态，或坐或站，使您保持积极的状态投入工作，从而提升生产力。

*Max18 L-shaped height adjustable table can let you easily switch office form, siting or standing, so that you can stay active in the work to improve productivity.*
