

## OFFICE CHAIR & SOFA

<http://www.jnm.hk>

All right served. The manufacturer obtained the right to change and alter the dimensions without prior notice, please confirm the detail specifications before placement of orders

## ENJOYING SITTING

The design of Alexander series emphasizes the idea of "sitting healthily". It's made by high quality genuine leather and highly elastic stereotyping sponge. What's more important is its adjustable height, a central-balanced structure, forward and backward movement and a lockable swinging design. All these win the product a title of "a perfect design"
